

AGENCY FOR LAW ENFORCEMENT EXPERTS

SECURITY & POLICE TRAINING YOU CAN COUNT ON

Step by Step – “BUT” – correct

Here we show you the correct way to get involved in our programs

| STEP 1

Choose Program

Browse our

- GOLD,
- SILVER,
- BRONZE and
- REGISTRY

membership and certification pro-grams.

Choose the one that fits your work experience, training and demands.

| STEP 2

Online Register

Here at ALE-X.COM, we will review your work experience and training to consider you for certification in our agency and if you qualify as leader within our organization.

Your ranking/level you might get, will be based on your years of work experience in law enforcement, police tactics, martial arts training, military and other education you have completed.

Together with your online registration, you „MUST“ complete and send in the PDF, in case of leadership good reasons, why you could be one of our leaders. Also add a passport size picture and one action picture of you (preferable tactical training).

| STEP 3

Complete Training

To achieve a **higher** level of certification you must:

- participate in the training sessions and
- complete the required coursework.

All of our members skills and ranks will be kept in our database for possible job openings.

| STEP 4

Receive Certification

Once you have successfully passed the review of your application you will receive (depends on the package you have chosen)

- your certification with respective level
- your ID-Card (accreditation)
- your patch

As we receive sometimes receive very funny „self-created or non-significant evidence about skills, ranks, training etc., we will first do a intensive background check about the applicants.

We try to avoid and keep away certification and rank or title collectors.

| STEP 5

Apply Skills

Now, as you receive lots of new skills and applications, it is up to you to use this knowledge practically in your duty, your field of service or as a teacher in seminars to others in your daily routine.

Apply your newly acquired skills in practical scenarios in the world, to enhance your performance. We would be happy to receive your positive feedback, once you managed to use these skills and if they have been helpful and supporting in your duty / work.

Become one of our LEADERS in your region

Before you think about a position within our organization, you need to proceed our step by step registration first. Only registered members are entitled to take over a position of responsibility. See our steps below and follow them first.

We are not an organization for:

- "Wanna Be's",
- "Title hunters" or
- "Certificate collectors"

If you feel, after register with us, you qualify to become one of our respected "DIRECTOR" in various systems or positions, you might apply for it. To be a leader, you must have management skills, as we need people to organize, to run activities and to grow by enroll officers, retired officers, active or retired military personnel or equivalent from the private Security industry as well as from the Self-Defense / Martial Arts scene (for e.g. Krav Maga, Kapap, Instructors for reality based Self-Defense).

Together with your obligatory registration forms and papers, tell us, why you think you are "SPECIAL" and how you could support and sponsor our Agency after registered with us.

We are just starting our Agency (officially in January 2025) and therefore we have almost all positions vacant. Just to give you short overview, about the positions we could offer you find here a list of these:

- Continental Director
- Country Director
- Combat Tactics Director in your Country
- Police Defensive Tactics Director in your Country
- Violence Prevention Director for your Country
- Head of Self Defense Xperts
- Head of Close Combat Xperts

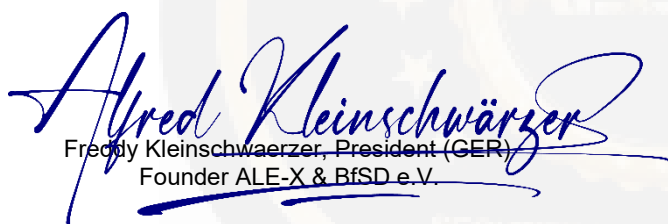

These are only a few positions of many more. If we get deeper into the Country/Nation, we are offering the same or similar structures regional and in the City you live in. As we are open also to Martial Artists, we offer Director positions for each style as well. You are looking for a trustworthy partner? With us and our programs you get the right reputation within your area and field you train and work in, no matter in private security industry, in governmental environment, in martial arts or as an instructor within various styles. We support you with a high profile and quality Agency reputation. By the way, we believe Martial Arts and the tactical Self-Defense and Martial Arts is a perfect couple as Martial Artists are often willing to work within the security business and any kind of Security, Police or Military need the skills Martial Arts brings. That is, why this combination belongs together.

The best for you, if you qualify for a directorship etc. and you bring every year a minimum of 5 new members inside our movement, your own membership is free. All qualifying for directorship, get the **GOLD STAR MEMBERSHIP** automatically and therefore the full access to our training manuals.
